

WIRELESS ACCESS ACCEPTABLE USE POLICY

1. Spencer Public Library provides unfiltered, wireless Internet access free of charge for anyone using their own laptop computer or device equipped with a functioning wireless or wired network connection. This service is offered only during library open hours.
2. Printing is not available on the wireless network. Users do not need a library card to use the system. Regular library computer time limits do not apply to wireless access use.
3. The library assumes no responsibility for your equipment or software and cannot guarantee the security of your files or transmissions. Library staff is able to provide only limited technical assistance.
4. Wireless Internet access may not be used for unauthorized, illegal or unethical purposes. No one may send, receive, or display text or graphics that may reasonably be construed as obscene or violent. If caught purposely browsing a pornographic site, individuals must immediately close the Internet connection and leave the library.
